CONDITIONS OF SALE

The property listed in this catalogue will be offered and sold subject to the following terms and conditions:

1. The word "Galleries," wherever used in these Conditions of Sale means the Kende Galleries, Inc.
2. The Galleries have exercised reasonable care to catalogue and describe correctly the property to be sold, but they do not make any representation or warranty as to the correctness of description, genuineness, authenticity or condition of said property.
3. The Galleries reserve the right to withdraw any article from sale for any reason whatsoever before the article is offered for sale.
4. Unless otherwise announced by the auctioneer at the time of sale, all bids are to be for the lot as a whole and as numbered in the catalogue.
5. The highest bidder accepted by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer may, in his discretion, determine who is the successful bidder, and his decision shall be final; or the auctioneer may reoffer and resell the article in dispute.
6. Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance over the previous bid, may be rejected by the auctioneer, in his discretion, if in his judgment such bid would be likely to affect the sale injuriously.
7. The name and address of the buyer of each article, or lot, shall be given to the Galleries immediately following the sale thereof, and payment of the whole purchase price, or such part thereof as the Galleries may require, shall be immediately made by the purchaser thereof. If the foregoing condition, or any other applicable condition herein, is not complied with, the sale may, at the option of the Galleries, be cancelled, and the article or lot, reoffered for sale.
8. Unless the sale is advertised and announced as an unrestricted sale, or sale without reserve, consignors reserve the right to bid.
9. Except as herein otherwise provided, title will pass to the highest bidder upon the fall of the auctioneer's hammer, and thereafter the property is at the purchaser's sole risk and responsibility.
10. Articles sold and not paid for in full and not taken by noon of the third day following the sale may be turned over by the Galleries to a carrier to be delivered to a storehouse for the account and risk of the purchaser, and at his cost. If the purchase price has not been so paid

in full, the Galleries may either cancel the sale, and any partial payment already made shall be retained by the Galleries as liquidated damages, or they may resell the same without notice to the buyer and for his account and risk, and hold him responsible for any deficiency.

11. Property purchased will be delivered only on presentation of a receipted bill. The Galleries reserve the right to make delivery to any person presenting such receipted bill. If a receipted bill is lost before delivery, the buyer should immediately notify the Galleries.

12. If for any cause whatsoever any article sold cannot be delivered or cannot be delivered in as good condition as the same may have been at the time of sale, the sale will be cancelled without any liability to the Galleries and any amount that may have been paid on account of the sale will be returned to the purchaser.

13. In addition to the purchase price, the buyer will be required to pay the Federal, State and local taxes now or hereafter imposed upon the sale of the article or articles, unless the buyer is exempt from the payment thereof.

14. The Galleries, subject to these Conditions of Sale and to such terms and conditions as they may prescribe, but without charge for their services, will undertake to make bids for responsible parties approved by them. Requests for such bidding must be given with such clearness as to leave no room for misunderstanding as to the amount to be bid and must state the catalogue number of the item and the name or title of the article to be bid on. The Galleries reserve the right to decline to undertake to make such bids.

15. The records of the Galleries are in all cases to be considered final.

16. The Galleries will facilitate the employment of carriers and packers by purchasers, but will not be responsible for the acts of such carriers or packers in any respect whatsoever.
